#### RACER NOTES:

All cars/drivers **MUST** have the **proper license, safety inspection, a WORKING transponder, and monitoring of the track frequency (461.200)** when on the racetrack, **this INCLUDES all practice, qualifying and features.**

**PLEASE NOTE:** Handicap check in will take place at the pit gate as you pull in to park your trailer. You are only allowed to check in the driver for the car that is in the trailer you are pulling in. If you arrive **after 2:30pm** you must go to the handicapper shack to check in. We ask that **ALL** drivers check in with the handicapper before participating in any on track activities. If somehow you do not check in before the end of the first round of practice, you will be placed last in the heat race line up and will not be eligible for passing points. You do however still need to check in with the Handicapper to be eligible to race today's event.
