RACER NOTES:

All cars/drivers **MUST** have the **proper license, safety inspection, a WORKING transponder, and monitoring of the track frequency (461.200)** when on the racetrack, **this INCLUDES all practice, qualifying and features.**
INEX Bandolero LITEceiver frequency will be on channel 1.

PLEASE NOTE: We will be reverting back to handicap check in occurring at the handicapper shack once trailers have pulled in. **You will no longer be checked in upon entering the pit gate.** Trailers will pull in, go park, then the driver or a crew member should head to the handicapper shack to check in. **Drivers MUST be checked in with the handicapper prior to taking practice. You will not be permitted to practice without checking in.** If somehow you do not check in before the start of the second round of practice, you will be placed last in the heat race line up and will not be eligible for passing points. You do however still need to check in with the Handicapper to be eligible to race today's event. Crew members may check drivers in. Please be clear who is racing the car for the event.

8 Cyl. Gut & Go drivers will check in with Mariah Lawrence and MUST check in by 6:00pm or you will be placed last in the line up.
