RACER NOTES:

All cars/drivers **MUST** have the **proper license, safety inspection, a WORKING transponder, and monitoring of the track frequency** (461.200) when on the racetrack.

Please make sure you renew your transponder subscription AND activate your subscription to your transponder. It will not work if the subscription is not active and activated to your transponder. This is two different steps.

See help link provided if you need assistance.
